Did you know that reading to your child is one of the most powerful ways to boost their brain power? The simple and enjoyable act of sharing books helps

your child learn pre-reading skills such as understanding the sounds that letters represent, developing a bigger vocabulary, and building background knowledge—all important skills that help prepare your child for entering kindergarten and learning to read.

Any child (including babies!) who has not yet started kindergarten can join the program. Stop by the Kids' Library desk to learn more and get a reading log. One thousand books may seem like a lot, but if you read just one book a night together you'll meet your goal in less than 3 years. You'll reach your goal in just one year if you read 3 books a night!

I Can Read Club

Kindergarten and First Graders are invited to join the I CAN READ CLUB. Just read a page from a book to a staff member and you are in! We'll take your picture and hang it on our club tree. After you sign your name in the big club book you'll receive a bookmark and a paperback book to keep. Stop by the Kids' Library Desk to join.
